WilmerHale has earned *The American Lawyer's* prestigious **Best Law Firm of the Year** title not once, but twice—**first in 2020** and again in 2025. In 2020, the firm distinguished itself with an extraordinary year across its service offerings, delivering landmark victories for clients while advancing initiatives beyond traditional practice areas. Its unwavering commitment to pro bono work, diversity, and innovative approaches to legal service delivery set a standout standard for excellence in the profession. The honor returned in 2025, when WilmerHale stood among six firms recognized for their bold, united stand against executive orders threatening the independence of the legal profession. This historic moment marked the first time in the award's history that a coalition

of firms was jointly celebrated for defending the core principles of justice and the rule of law.
